BARANGAY BUDGET MESSAGE

THE HONORABLE MEMBERS
SANGGUNIANG BARANGAY
BARANGAY DEVELOPMENT COUNCIL

Ladies & Gentlemen;

Yesterday & tomorrow are great opposites. We look forward to the future & see what can be done because we have to make our choices today to effect the changes we wish to make in the shaping of our destiny as a community.

Today the Php 1,286,124.00 budget for our barangay in FY 2014 that I am asking our Sanggunian to pass without delay and without deduction is designed to effect necessary changes and development to bring us closer to our practical vision of being a self reliant and progressive barangay.

Policy Thrust for CY 2014

Our policy thrust for CY 2014 is focused to our barangay economy. We desire to reduce unemployment and at the same time increase our local revenue. We concentrate our resources to the economy because this is the only way to become self reliant. We want our marginalized residents in the rural and urban areas to be the focus of our investments. The policy measures to support our FY 2014 budget are the following:

1. Make our tax collection more efficient;
2. Increase our local revenue by augmenting our fees for the use of Barangay facilities;
3. Give priority to the delivery of quality basic services to all constituents and;
4. Use surplus of savings to priority development projects.

Estimated Income for BY 2014

Our estimated and realistic income for FY 2014 is more or less Php1million. Our share from internal revenue collection still our number one source of income. It hugs almost 52% or a little more than a half of our total revenue. This is fairly better than our last year of our total income. We will be continue to more aggressive in the next coming years by strengthening our local economy and making more efficient our tax and fees collection. It is expected that the end of this decades we will turn the tide in our revenue structure and increase the share of our locally generated income to 70% dwarfing our IRA share to a mere 30%. We shall pursue similar strategic policies on income generation in the coming years to attain our vision of self reliance in 5 years time. This cannot be achieved, however without your strong and firm support in the execution of our policies.

Income Allocation for BY 2014

Our income, on the basis of our approved fiscal or budget policies gives premium to the delivery of quality basic services which is allocated 52% is our biggest expenditures. This is followed by our governance and legislative services is 22.4% the implementation of priority development projects with 10.4% similarly the share of our Sangguniang Kabataan is approximately 10% and the balance of 5.2% is our budgetary requirement for calamity fund and other administrative cost. This percentage allocation of our income once confirmed and approved shall be maintained for the next 5 years to emphasized our commitment to be more responsive in basic services delivery.

Expected Output for BY 2014

The main rationale why we exist in the barangay is not to collect taxes or fees or to spend what we have collected. We exist because of the goods and services we provide to our constituents to make their life easier and happier to live.

For 2014 the expected results or major final output on goods and services of our barangay as laid out in our Annual Investment Program are as follows:

MAJOR FINAL OUTPUT	PERFORMANCE INDICATORS	TARGETS
= Day Care Services	Pre-school children trained	50
= Health Care & Nutrition Services	Patients & children's provide with nutrition care	100
= Peace & Order Services	Percent reduction in crime incidence	2%
= Infrastructure projects	Kilometers of Brgy. Roads and concreted and maintained Open Canal constructed Streetlights installation	4km. 2km.
= Brgy. Governance and services	Brgy. Officials trained Brgy. Ordinance passed	11 2

As a public servant, I humbly stoop and bow down my head to all my constituents whom I pledge to serve until the end of my term. I have to deliver these basic goods and services and development projects to you as our stakeholders. If at the end of the day you don't find these services delivered, then you be the final judge... on judgment day.

Thank you & God Bless!!!!

GERVACIO P. MONTON
Brgy. Captain
